the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.1 million (Office of National Statistics 1999).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's services. The strategy is based on the following principles: older people should be able to live independently in their own homes; older people should be able to participate in the community; and older people should be able to access the services they need.

ALICE GATES

## Dedication

The 1941 Tatler Staff takes pleasure in dedicating this volume of The Tatler to Miss Alice Gates, one of our faculty who has served our (and her) Alma Mater faithfully for more than twenty years. Miss Gates has taught several different subjects during this time but Math is the subject through which many of our school have learned to know her.

Miss Gates has a sense of humor which is mixed with her work in Math in such a way that pupils feel at home in her classes. Her desire to help each pupil succeed is as sincere for the one who tries and succeeds in part only as for those who make A grades.

## In Memoriam

During our present school year the Supreme Architect of the Universe has called to the life immortal two of our custodians—

Leslie Thompson

Leon Jenkins

Mr. Thompson helped install our heating system and upon completion of the building the Board of Education selected him to serve as head of the custodian staff. His work was carried out efficiently and effectively for nearly thirteen years.

Mr. Jenkins became one of the two firemen whose duties were to keep us warm in winter and our campus presentable in summer.

Both of these men were faithful in their work and all of us shall carry in our memories a thought of appreciation for these two who did their part in making our school life more pleasant.

W. R. CURTIS  
*Superintendent*

In his twentieth year as superintendent of the Alton Public Schools, Mr. Curtis has had much to do with getting our new junior high building under way on the hill west of the pit. It will be a much needed addition to our school system as is evidenced by our 7:45 to 4:30 school day in our present building—the long day made necessary because of the crowded conditions in our present senior high building. The extra duties of a building program together with his regular duties have made a very busy year for Mr. Curtis.

## C. C. HANNA

*Principal*

Mr. Hanna in his eleventh year as principal ran into his most difficult year in school work, but not from administrative angles. Laid low by ill health early in the fall our principal was hospitalized for a month, but the surgeon's skill returned Mr. Hanna to us and the second semester of the school year has found him as busy as ever before.

## Our Deans

### DINSMORE WOOD

*Dean of Boys—Civics*

*Assistant Principal*

### CAROLYN WEMPEN

*Dean of Girls—Mathematics*

Neither Mr. Wood nor Miss Wempen have been called upon this school year to settle as many serious disciplinary problems as one would expect in a school the size of Alton High, yet both have been kept very busy with their other duties. Both the Boys' Cabinet and Girls' Council have been active around school this year and the more active these organizations are the busier our deans have been.

## Football Season of 1940

RAY L. JACKSON, Coach \* ROBERT P. GEDDES, Assistant Coach

Football practice got under headway for the Redbirds on September 5, as the first two days of school were given over to issuing equipment. Coach Jackson and his assistant Geddes were faced with such tasks as developing new ends who could receive passes on offense and do their part on defense since we couldn't keep the Stallings-Schwartz ends combination of '39. There were other line problems such as a new center and

guard and tackle positions to be taken care of. Ted Vambeketes and Bill Gaines, regulars from '39—Ray Block, Bill Ash, Bill Chew, and Craig Beane, four boys who had considerable sub-experience in '39 came through together with a "find" in Maurice Pfeffer to give us our seven regular line men. Ed Wood and Matt McCaskill were regular backfield men carried over from '39 and from the group of Kenny Peters, Bob Bruce,

Gridiron activities were scheduled to begin on our field against Central of St. Louis, but about ten days before the game Central cancelled and Alton was unable to get an opponent lined up for the season's opener on September 27, and the Redbirds got their first test under fire with Collinsville on October 4, when the Kahoks were forced to bite the dust in a 13-0 Redbird victory. This game was played at home to a good sized

crowd. October 11, the Redbirds journeyed to Granite City to be guests of the Happy Warriors for an evening. Granite proved to be the perfect hosts and Alton tucked its second straight 13-0 victory under her belt. October 18 found the Redbirds guests of Madison and our boys found Madison to be one of the toughest foes met and defeated during the season. The two teams played a scoreless tie until late in the game. In fact the crowd had become settled to a scoreless tie when the Redbirds pushed over a touchdown and point, thus adding Madison's scalp to their

season's list of victories on a 7-0 count.

Edwardsville's Tigers dropped into the Redbirds nest October 25, and before the game was many minutes old they proved that the pre-game dope of line and backfield Tiger power had not been overrated. The Tigers lost no time in scoring three touchdowns but in the second half the teams played on equal terms. Final score favored the Tigers 27-6. This season Wood River was more certain than ever that it was their year and when the Redbirds arrived there on November 1, they found over 3,000 spectators on hand, many

of whom were from Alton. This game proved to be a battle but once the Redbirds produced a touchdown the Oilers were softened and we were content to defend our 7-0 score.

Into Alton rolled the *East Side Packers* on the evening of November 8, to try their hand at mauling our Redbirds for the tie we held them to in '39, when the two schools shared conference honors. The game was still in its infancy when Packer power packed over a touchdown, then another, and still a third. In the second half the Redbirds again stayed on even terms with their

opponents but the final whistle showed a 25-6 victory for East Side. The final game of the conference season was played at Belleville on November 15. The Maroons had played a rather bad season but had shown power in their last two games preceding the game with the Redbirds. The Altonians were respecters of Maroon power but went to work with vengeance and built up a touchdown lead. Before the smoke of battle had cleared, the Redbirds had scored a total of 20 points to the Maroons 12.

Conference play finished with Edwardsville and East St. Louis in a tie for first and second place with the Redbirds taking third place with 5 victories and 2 defeats.

Turkey Day brought the Army from Western Military to the Redbirds field in the final game between the two schools. Western's season record was not so good—2 wins, 2 ties, and 3 defeats. They had scored 32 points during the season to their opponents 93 while the Redbirds had scored 72 points to their opponents 64 and had won 5 while losing 2. This far the dope favored the Jacksonmen but McCaskill was definitely out of the Alton lineup due to a leg injury. This was sufficient to give the Army a slight edge since it deprived the Alton backfield of half of their experienced pass tossers, an asset in scoring plays during the season. The game was played under ideal weather conditions and the teams battled on even terms until late in the final quarter. Not many people in the stands expected anything other than a scoreless tie. Then "Scrappy" Carter went into the Alton backfield and on the first play that Redbird flea-flicker lateral struck

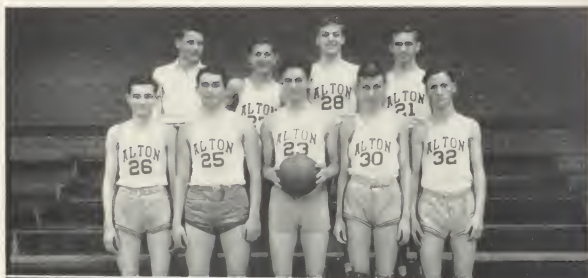

like double geared lightning and when Western downed Carter who had received the ball from Wood who had received it from someone else the ball was short of Western's goal by only a couple of yards. On the next play Kenny Peters successfully negotiated an end run with proper Redbird blocking and Vambeketes used his educated toe with Wood holding and "Happy Days" were here again for Alton High. Western couldn't recover any drive and the game soon ended to a 7-0 tune. This made ten victories in a row for the Redbirds in 12 starts under Coach Jackson. It made the 14th win for Alton High to 12 for Western with two ties in a series that began in 1904-'07-'08 then each year from 1912 to 1939 with the exception of 1917 and 1918. The only parting glory for Western is that during this time they scored a total of 256 points to 210 for Alton High. This traditional game has been brought to an end by the rule of the State Athletic Association which does not recognize or permit transfer students to participate in sports in the first year in their new school. This rule would block so many Army men that Western felt they could not continue the game.

This season ended high school football careers for Vambeketes, Block, Gaines, Beane, Chew, Wood, Peters, Bruce, Luddeke, McCaskill, Naughton and Carter.

"All Conference" honors were won by Vambeketes and McCaskill.

The 1941 season will require many new faces, but with Ash, Pfeffer, the Platter brothers and Buck from the letter men a nucleus for the '41 season is assured.

### Basketball Season of 1940-41

ROBERT P. GEDDES, Coach ★ ANTONE JUREZIZ, Assistant Coach

Basketball opened officially on December 6, when the Redbirds played host to Gillespie, but our boys were too nice about it and Gillespie grabbed the opener 22-13. The Alton cause was not lost as a result of this first game for a new comer to Alton High—Bill Schotters fitted well into the Geddes and Jureziz machine. Then the two Patterson boys—uncle and nephew by the way—were on hand together with Campbell,

Naughton, Beane, Pfeffer, Cole, Aulabaugh and Ray Platter.

The next week found both games played away from home. The Redbirds traveled to Jerseyville and treated their host just like Gillespie had treated us the week before, only worse, and the final score found A'ton winning 31-7. On Friday night of December 13—yes, Friday the 13th—the boys moved to Granite City. Just a few short

months before the Happy Warriors had won the State Championship of Illinois, but the Redbirds could not afford to worry about either Friday the 13th or the opponent. When the final whistle was blown the Happy Warriors were sad warriors for we had won 38-34.

The week of December 16 found our boys at home, but a loss and a win were our lot. On Tuesday night, Litchfield dropped into town and showed us the smoothest working offense and the best defense so far in the campaign. When the smoke of battle cleared we were on the short end of a 36-28 score. The week was brought to a whirlwind close, however, when the Redbirds played one of their best games of the entire season in defeating the Oilers from Wood River. The local boys gathered a first quarter lead and held on to it for the entire game. Wood River, seemingly badly beaten as the fourth quarter started, came through in the last few minutes of the 4th quarter and gave us a terrible scare but the boys from our Alma Mater tossed in a final field goal to win 21-19.

Christmas vacation found the boys of the hardwood court in the Mt. Vernon tournament but we had too much Christmas spirit of the giving type left over and gave away too big a lead in the first half. We outplayed Johnson City by a wide margin in the second half, yet we were unable to close the gap and lost 34-23.

January 7 resumed Conference play and we defeated the Collinsville Kahoks on our floor 36-34 in another game that made our hearts go into high gear. On Friday night of the same week we journeyed to Edwardsville where they turned their Tigers loose upon us and they proceeded to claw us into a 37-27 defeat. The next week saw us meet defeat at Madison in a game that could have gone to either team but near the close of the game the Madison 5 grabbed a four point lead and matched us point for point in addition. They won 28-24. Belleville came here on Friday night in an attempt to win a conference game—something they had not been able to do. They were disappointed, however, when the Redbirds triumphed 32-22.

Graduation exercises set the East Side game up to Thursday night and they seemed to enjoy it. Using a shifty and tricky offense they got away to a nice first half lead but the Redbirds came close to upsetting the Packers in the second half. We lost 32-28. On Saturday night our boys were guests of Decatur in their new gym. The game was played before nearly 4,000 Decatur fans.

The trip, the new gym, the crowd and the Decatur quintet all conspired to help in a Redbird defeat by a 34-23 count. The next week saw only one game played—we were host to Granite City and this second time we met the State Champs we were not even courteous enough to let them use the ball except in rare instances. The final score—Alton 32 and Granite 14. It was our widest margin in a conference win. The next week we tried our luck in the Oiler's den and at times the Summers coached crew were pushed plenty hard, but winning two basketball games in one season from the Oilers was too big a task and we lost the game 22-17. Our next game was at Collinsville and the Kahoks showed power when they pinned the season's worst defeat on us 44-26. Undismayed our Redbirds bounced back into the win column the next game when they spilled the Tigers 24-17 in a thriller for Alton fans but a heartbreaker for Edwardsville since this defeat cost them the Conference Championship and gave them a tie with Wood River.

In the closing games of the season Madison again gave us a 4 point drubbing, this time on our floor 27-23. However, the Redbirds dropped in on Belleville the next night and after a tough battle came out victors when a late Belleville rally fell 4 points short and Alton won 30-27. In the season's final Conference game the Redbirds visited the Packers of East Side and were shooting for a victory. However, our sights didn't work so well and we lost 39-20.

Our Conference record for the season was 7 wins and 7 losses. We scored 378 points to opponents 396. This is our best Conference basketball record in several years. In non-conference games during the season exclusive of the tournament at Wood River we scored 118 points to our opponents 133. For the season, including tournament play we scored 529 points to our opponents 565.

Alton had hopes of getting by Troy this year in the Wood River tournament and possibly even getting into the final game to be assured a game at least in the next round a week later at Collinsville. The officials said we fouled too many times and Troy made 18 charity shots out of 36 attempts, which enabled them to squeeze by in a 36-33 win. Our 1940-'41 basketball season thus ended as it began, in defeat—but many prospects come up

from the second team next fall and hopes are held for still an improved team next year.

The boys who have played their final basketball for Alton High are: Bill Schotters, Ed Patterson, Lucian Patterson, J. Naughton, Craig Beane and Harold Cole.

Ed Patterson stood fourth in Conference scoring and Bill Schotters set a mark of 80 per cent in shooting free throws—two swell records. Ed also won an "All Conference" selection landing in a tie with Volz of Edwardsville for third place selection. Campbell and Schotters received honorable mention.

## SECOND TEAM SQUAD IN BASKETBALL

ANTONE JUREZIZ, Coach

This last season the Redbird seconds played fifteen games and while they did not win as many games as they lost yet they scored during the season only 4 points less than their opposition. This year Coach Jureziz set out to develop his men on defense just as much as offense in the belief that a well drilled man is needed in defense as well as offense. The first team squad next year is certain to be stronger because of this year's experience given to Beck, Buck, Tickner, Moore, Hallam, Nasello, Carl Platter, Waide, Meisenheimer, and others.

## Track

ANTONE JUREZIC, Coach

High hopes had been held for a big season in track this year as a follow-up to last year's beginning but it was expecting a little too much to put track over as a winner in the second season of a revived sport. The boys were further handicapped by the junior high building program which pretty nearly did away with our practice field.

The squad this year has been made up of nearly twice as many boys who were interested enough

in track to come out as were out last year. While not winning any meets at the time our book goes to press the boys have been in a meet somewhere each week since early in April. No meet has been entered in which we failed to score points. Good efforts and reasonably good results have been turned in during the season by many of the squad. May next year be a bigger and better year for track.

## Tennis

The squad had trouble getting any practice but played anyway. Koenig and Flexon lost their doubles match in the Belleville Tournament on May 2. Tuggle and Young the next day each won from their opponent in singles play but lost in their third round of play as they had drawn byes in first round play. The boys with more practice hope to get some wins in the Conference meet and expect to meet Granite, Belleville and Collinsville in inter-school contests.

## Quill and Scroll

The Quill and Scroll is a journalistic honor society, international in scope. The Lovejoy Chapter, a charter member of the organization, was established April 4, 1927.

Students eligible for membership must have done creditable work on either of the school publications, The Times or The Tatler. The purpose of the Quill and Scroll is to instill in students the ideal of scholarship; to advance

the standards of the profession of journalism by developing better journalists and by developing a high code of ethics to promote exact and dispassionate thinking, clear and forceful writing. Further, it has been the purpose of this chapter to take on some school project each year. The features this year have been the induction of new members, the banquet and the annual party with the National Honor Society.

## National Honor Society

The Alton Chapter of the National Honor Society has been organized for fifteen years. During this time it has grown and prospered. The original Chapter of twelve members has grown to an organization having a membership of sixty or more and graduating about half of this number each semester. One of the original sponsors, Miss Cates, who helped organize the Chapter in the beginning, is serving alone as sponsor, the other original sponsor, Miss Cartwright, died in 1939.

The purpose of this organization is chiefly to recognize scholarship, as football and basketball recognize ability in athletics, and the language clubs recognize ability in their separate languages. In addition to this, the Chapter tries to develop the leadership and character of its members by rendering various services to the school and to the members of the Chapter.

Membership is based on the four cardinal virtues of the Chapter, scholarship, leadership, character and service. There are certain points under each of these virtues that must be considered. Under scholarship the candidate must be in the upper third of his class; under leadership come the initiative, executive ability, and influence of the candidate; under character is dependability, industry, honesty, and personality; under service—the service to other organizations, to the school, and to the teachers must be considered. The

faculty advisors prepare a list of those in the upper third of the class who are eligible. This list is then presented to the rest of the faculty who rate the candidates on leadership, character, and service. The high rating candidates are then installed at a public ceremony each semester, but not over 15% of the graduating class may be installed.

Meetings are held once a month, the third Monday in the school month. During the meeting, business is transacted and speakers are heard on various subjects.

The Chapter holds several social affairs each semester. A banquet for graduating members and a joint party with the Quill and Scroll have regular features. This year the president started a series of Chapter parties and dances.

This year there were two main service projects. A poll of the graduating seniors was taken to determine how many were going to college, where they would like to go, what they would like to study, where they would like to live, and if they were not going to college what type of work they would like to take up. The Chapter sent for catalogs from the schools in which the students were interested. The other project is a system of student loan scholarships for Chapter members. In 1936 a fund was started for the student loan scholarships, but this shall be the first year for granting the scholarships.

## Girls' Auxiliary Council

This organization observed the anniversary of its first decade of service to Alton High School on January 11, 1938. During these years the Council has been prominent in all the affairs of high school life. Its members are representative girls, chosen from the leaders of the student body. During its existence many services have been performed for the school by this organization,

as its purpose is to serve others.

Miss Caroline Wempen has been the faculty sponsor since the organization was formed.

In addition to its routine service, the council was chiefly responsible for sponsoring the first discussion of a student council which was later turned over to Miss Paul.

## Boys' Cabinet

The Boys' Cabinet was founded in January, 1928, when boys who had acted as guides for freshmen, organized a service club. There were eleven charter members. The purpose of the Cabinet is to serve the school and to encourage beneficial activities among the boys. The Cabinet members are always ready to assist in school projects in any way they can. They sponsor the high school excursion each year, manage the score board at football games, act as gatemen at athletic

contests and as ushers at other school functions. Each February they assist new students by explaining the school activities and individual programs, and by acting as guides.

New members are chosen to the Cabinet at the beginning of each semester, and officers are chosen at the beginning of each semester. The Cabinet is one of the oldest and most prominent clubs in school.

Mr. Wood is the sponsor of the club.

## National Thespians

The National Thespians is sponsored by the Alton High School Dramatic Club and is an honor society of high school dramatics. To be eligible a candidate must be a member of the Dramatic Club and have either performed, creditably, seventy lines in a play or have taken an active part back stage.

Organized in 1932 with eight members, the Alton Chapter has grown to twenty members

the second semester.

The aims of the society are to develop a spirit of active and intelligent interest in dramatics; to assist directors and students in the presentation of plays; to stand as a reward for excellence in high school dramatics; to acquaint directors and students with progress of dramatics in other high schools; and to bring about a closer relationship between the troupes.

## Dramatic Club

The Dramatic Club, sponsored by Miss Mildred Rutledge, is one of the most active of the elective clubs in the school. In order to become a member the students must try out or show some ability to act. The purpose of this organization is to give the students a chance to show their dramatic ability and arouse a desire for the students to take part in the school activities. Any student who wishes to become a member has at least two or more chances to try out during the school year.

This organization presents two three act plays

during the year. During the 1940 and 1941 year, the club presented "Poor Dear Edgar" and the Pulitzer Prize Winner "You Can't Take It With You," which were well attended by students and adults.

In addition to the long plays the club presents at least two one-act plays for an assembly program. The play given the second semester was written and directed by the students.

The Dramatic Club also sponsors the local chapter of National Thespians.

## Societas Latina

The Societas Latina was organized in 1939. Its purposes are to stimulate an interest in the language, life, and customs of the Roman Empire; to increase the appreciation of the debt that the English language and modern civilization owe to Rome; and to promote friendship among the students of the language.

Membership in Societas Latina is open to all Latin students and to those who have taken two years or more of the language and have maintained an acceptable grade.

The Sponsors are Miss Ellen Machin and Miss Leah Ridgely.

## Radio Club

The purpose of the Alton High Radio Club is to give students interested in radio, sufficient technical training to enable them to obtain their Federal Radio Operator's License and Station License.

In order to obtain these, the applicant must be able to send and receive the Continental Morse Code at the rate of 13 words per minute and make

a grade of 75 per cent or higher on an examination on radio theory and laws given by the Federal Communication Commission. The club has thus far trained twenty students who have obtained their licenses. The club is sponsored and taught by Mr. Stage.

Russell Eaton and Clarence Wenzel received their licenses this year.

## Le Cercle Français

The French Club was organized shortly after our school was established in the present building. This club tries to encourage French students to be more observant of the French people and their language apart from the classroom.

Throughout the year members learn French

songs and give short plays and other programs at the meetings. Outside of the meetings the club sells refreshments at football games and helps prepare an annual Language Club Banquet.

The sponsors are Miss Clara Blackard and Miss Lily Williamson.

## Art Club

The purpose of the Art Club is "to promote all worthy art activities within the school." It was organized by nineteen members on October 31, 1931. Believing that a small club with strict admission requirements would make a better working organization, the following rules were adopted:

- (1) All candidates must have had one year of Art in high school.
- (2) All candidates must have a grade of B.
- (3) All candidates must receive a majority vote in the Art Club.

The pin is in the shape of an artist's palette and has three colored stones on it.

## Student Council

The Student Council of the Alton High School was organized in March of 1938. It is an all-school governing body, the members of which are elected each semester from the home rooms, each home room being entitled to one representative. The president and vice-president of the organization are elected by the school-at-large and hold office for one year. The secretary and the treasurer are elected by the home room representatives from their own number at the beginning of each semester.

The local student council is a member of the District, State, and National Student Self Government Associations. The local council is honored this year by having its president of 1940-41, Bill Ash, elected to the Collinsville District presidency for 1941-42.

The Convention of the Collinsville District of Student Councils of the State of Illinois will convene in Alton in the fall of 1941 with the local group acting as hosts.

The Student Council has as its oath:

*"I will strive for better student government ideals and for the uplift of the association and school, both alone and with others; I will obey and respect the laws and do my best to incite a like obedience and respect in others. I will strive to quicken the sense of responsibility among the students at large, so that we may transmit our student government inheritance, not less and worse, but greater and more beautiful than it was transmitted to us. And this I promise."*

Miss Paul is the sponsor.

Lloyd Lucker has joined the navy.

Phoebe Luedecke has been doing a lot of "Reiding" still.

Warren McArdle is the new "Lone Ranger" on the radio.

Laurence McClintock is office boy at Western Union.

Chester McElrath runs an Escort Bureau.

Kathleen McLaughlin is quarantined with chicken pox this time.

Anna McPherson is the head of a swank dress shop.

Betty Main has established a "Beauty Shoppee" for dogs—and we don't mean men.

Bill Meisenheimer and Elizabeth Miller have settled down in a snug cottage.

Dick Schaller's pulse is still going like that about Marilyn Weber.

Garret Schmoeller is "lip-stick tester" for an important firm.

Bob and Jean have adopted Jake Schneider.

Mary Schoppet is a shoe shine girl.

Bill Schotters is still crazy about basketball, and as much a woman hater as ever.

Lee Schwerdtfeger owns a saurkraut factory.

Olin Scott is a confirmed bachelor after six marriages.

Mildred Stouder is engaged to a counterfetier and they are doing quite well.

Genevieve Stratton is collecting sea shells to make pearl buttons for hubby's shirts.

Bob Stuart and Irene Mohler are enjoying themselves in Bob's new convertible, seeing America last.

Leland Thomasson still has a crush on Lora Jean.

Vivian Tillman recently won the Nobel prize for inventing a new method of eating peas.

Gloria Tovo just started her own nudist colony.

Paul Townsley has a patent on his idea of how to take the squeak from heartaches.

Ray Trogdon is a well-known news commentator.

Billye Trotter is married to C. Bogar, and they are doing their cooing at home instead of the halls at A. H. S.

Bill Tuggle and Nell are doing quite well, still. Richard Turner is a famous R.A.F. sharpshooter. Evelyn Ursprung is looking for the Fountain of Youth.

Ted Vambeketes hasn't given the girls a break, yet.

Martha Vanausdoll is a sub-deb in Bethalto.

Alvina Von Bergen decided to leave the farm and come to the fair metropolis of Alton to win fame and fortune.

Irene Vonnahmen is conducting revivals in a tent on the river front.

Bette Mae Walker runs a restaurant from which she sends the proceeds to America for the American War Relief.

George Walter is now—guess what—the President of the Liars Club.

Joe Wannamaker is very happy with Jean Rodgers who has finally said, "Yes."

Marie Ward is doing quite well with her new dress shop on Fifth Avenue.

Ann Waterbury just completed a new invention—a buttonless, zipperless shirt.

Lois Watkins and Ray couldn't make a go of their marriage, so they have separated. Meantime Lois has been seen a lot with Rodger Yenny, a high school flame.

Oliver Wimmer is President of Shurtleff.

Clyde Wiseman has been head radio announcer at WJZD for 2 years.

Ed Wood is still running quarterback plays at Alton High—now playing in his second childhood.

Eileen Wood would like to say yes for Dave but poor Dave just ain't got the nerve to ask for her hand.

Richard Woodcock is THE stage hand at Ritz.

Eugenia Wooldridge is the new postmistress at Williamson's.

Fred Wuellner is the new water boy for the WUELLNER Construction Company.

Bob Young is still taking vitamin Yxk—a new growth producing pill.

Richard Young is growing old fast—sitting in a glass house by the side of the road waiting for the world to go BYE-BYE.

## Jokes

When five years old William Schotters had been taught that Sunday is not a day for play, but one to be set aside for the worship of God, and rest. Naturally, his mother was surprised and shocked one Sunday morning to find him sailing his toy boat in the bathtub.

"William! Don't you know it is wicked to sail boats on Sunday?" she demanded.

"Don't worry, Mother," replied William calmly, "this isn't a pleasure trip. This is a missionary boat going to Africa."

Mrs. Wiseman (at table): "Clyde, I wish you would stop reaching for things. Haven't you a tongue?"

Clyde: "Yes, Mother, but my arm's longer."

"And what is your opinion of the Grand Canyon?"

"Just gorges."

Yenny: "Say, you can't take that girl home! She's the reason I came to the party."

Buck: "Well, you've lost your reason."

Aggie: "Don't act like a baby."

Kenny: "I can't help it. I was born that way."

Judge: "I'll fine you today, but if you speed again, you'll go to jail."

John Flexon: "I get it—fine today and cooler tomorrow."

"Listen!" roared the cavalry sergeant to the rookie who had been tossed for the fourth time, "When I tell you to stick on that hoss, you remember, that's orders from headquarters!"

"Sorry, sergeant—the horse gave me orders too—from hindquarters."

Mr. White: "Here are two quarters for your savings bank."

Vincent: "I'd rather have a fifty-cent piece."

Mr. White: "Why?"

Vincent: "It won't go through the slot."

Miss Perrin: "Look here, you've printed an announcement of my death in your paper!"

Editor: "We'll fix that up. We'll put your name in the birth column and give you a fresh start."

Ed Yungck: "When are you going to give me that dime you owe me?"

Leroy Lumpkin: "Next week."

Ed Yungck: "But that's what you told me last week."

Leroy Lumpkin: "Sure, I'm a man of my word. Do you think I'd say one thing one week and something else the next?"

Tod Doles: "I've added these figures ten times."

Teacher: "That's fine. Good boy."

Tod Doles: "And here are the ten answers."

Stallings (sharply): "Johnnie, did you take a bath on Saturday?"

John McPherson: "Not me, teacher, if there's one missing, somebody else must have taken it."

Miss Bartholomew: "I've paid 50c a week for ten years into a Lonely Heart Club. Do you think I'll ever get anything out of it?"

Miss Colonius: "Sure—a tombstone."
